Community Toilet Scheme

The Frome Community Toilet Scheme provides members of the public with clean, safe and in the majority of cases, accessible toilets in convenient locations across the town. The participating businesses have agreed to let members of the public use their toilet facilities during normal opening hours without the need to make a purchase.

Shopping and Eating Out

Frome is developing a reputation for boutique shopping to rival nearby Bath. There are many independent and specialist shops: arts and crafts, antiques and collectibles, clothing and more, mostly centred around Medieval Cheap Street and 17th Century Catherine Hill. Take a break from shopping at a variety of quality eating places from a traditional tea room to a buzzing independent coffee shop.

Frome App

A new app is being developed to help visitors make the most of their trip to Frome. Based on themes and routes around the town it will help people find the hidden gems that Frome has to offer.

Scan the code for more information and a link to the app when it goes live (April 2013).
