# FROME WALKERS

**PROGRAMME July to December 2019**

The Frome Walkers Group, formerly known as the Frome Rights of Way, wishes to inform members that they take part in the walks entirely at their own risk.

Why not join the Ramblers Association? This is the association that looks after the interests of all walkers by campaigning for greater access to the countryside and in protecting Rights of Way. By joining you will give them an even stronger voice when speaking out for all walkers.
