This walk has been inspired by the men of Frome who fought in the Great War, 224 of whom are remembered on the War Memorial at the Memorial Theatre.

It has been designed by members of the Royal British Legion, the Royal Naval Association and the Royal Air Force Association. Walkers are reminded to take care on hills, grassy slopes and busy roads.

**START**

1. Starting at St John the Baptist Church, cross Bath Street and continue along Palmer Street.
2. Walk up Catherine Hill turning right onto Whittox Lane and turn left into Castle Street. Continue along this road to Holy Trinity Church.
3. From the car park to the left of Holy Trinity porch go right and continue down Gould’s Ground between high walls. The path goes left at some open green space and then right past some houses on your left. At the road go immediately left up a long flight of steps. Join Valley View Road and continue straight on to join Whatcombe Road, following the road round to the left.
4. Go left up the hill and turn left on Vallis Road, take great care as there is no footpath there. Vallis Road Cemetery is on your left.
5. Leave the cemetery by crossing the road and turn left, keeping on the footpath along Vallis Road. When you reach the roundabout at the end of the road, take care to cross over to Broadway and turn left heading downhill towards the Co-op. Continue along the footpath and you will come to Christ Church on your right.

**FINISH**

6. After leaving Christ Church, cross the road at the pelican crossing and visit the Memorial Theatre. Here you will see the statue of Charlie Robbins, a Frome Great War veteran and dedicated to all who fought in the war.
